[Excellent](#) · [Intake — arrived by fine-art shuttle, crated](#) · [Examined by Dana Reyes, Registrar](#)

Cast bronze figure on original marble base. Patina even and stable across all surfaces. No losses, abrasions, or active corrosion under raking light. Base: two historic chips to the rear left corner (pre-existing, photographed), otherwise sound. Crate opened in the presence of the courier; no packing damage.

[Good](#) · [Return from loan — Bell Gallery, Chelsea](#) · [Examined by Dana Reyes, Registrar](#)

Patina unchanged. New: one 4 mm surface scuff on the proper right forearm, no loss of patina beneath, consistent with contact during deinstall. Base chips unchanged. Recommend no treatment; monitor at next movement. Compared against 2026-03-02 intake photographs.

ATTESTATION

The condition described above was recorded by Dana Reyes, Registrar on behalf of Northside Art Storage from a visual inspection at the time and place stated. Photographs and damage marks are unaltered exports from Stowley's condition log, which is timestamped and audit-logged.
